MEPI Impacts Medical Education in African Institutions

Prof Marietjie de Villiers
Stellenbosch University, South Africa

Acknowledging MEPI CC at GWU and ACHEST

CUGH Conference
6-9 April 2017, Washington, USA

This presentation has been supported by the President's Emergency Plan for AIDS relief
(PEPFAR) through HRSA under the terms of T84HA21652
Website: <http://surmepi.sun.ac.za>

Medical education activities in MEPI

Curriculum Reform

New teaching methods

Clinical Skills laboratories

Library Resources

eLearning

Faculty Development

Medical Education Units

Education Infrastructure

Medical Education Research

Community Based Education

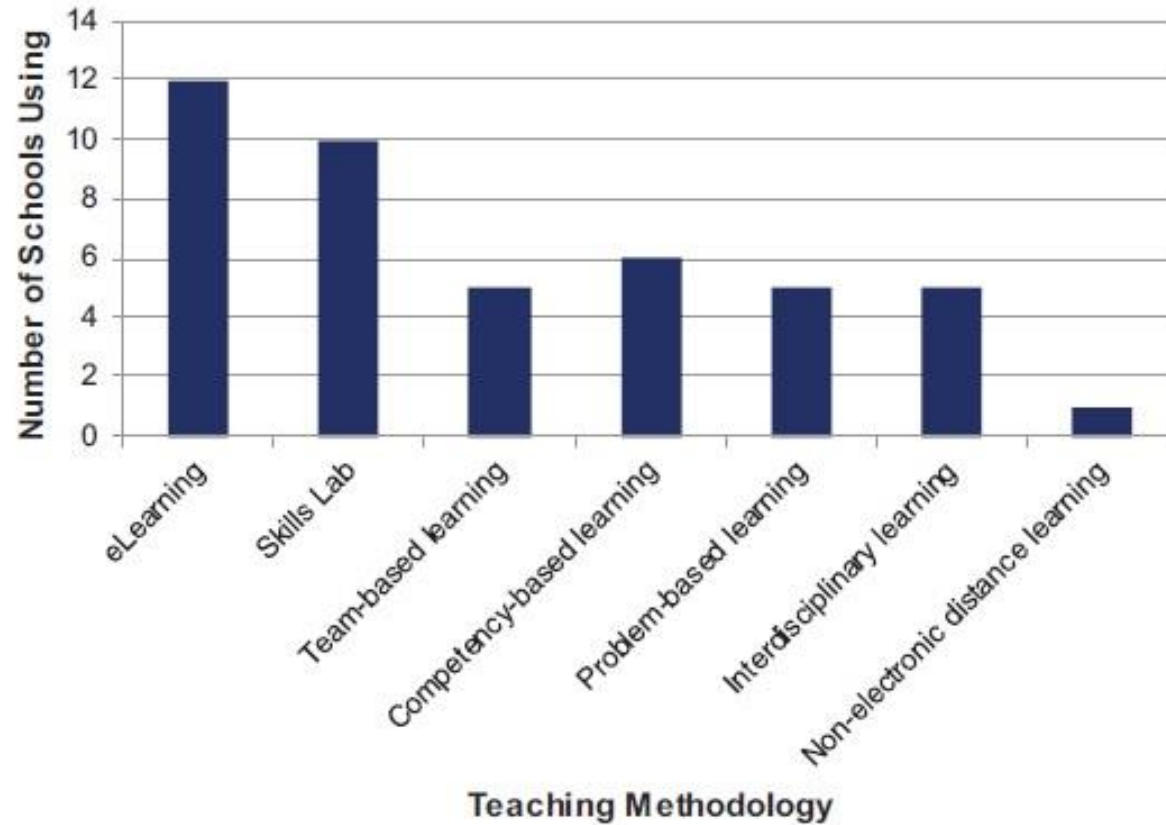

HIV/AIDS Teaching

ICT infrastructure

Competency based education

NEW TEACHING METHODOLOGIES

EXHIBIT 3.2 MEPI Supported New Teaching Methodologies (2011 - 2015)

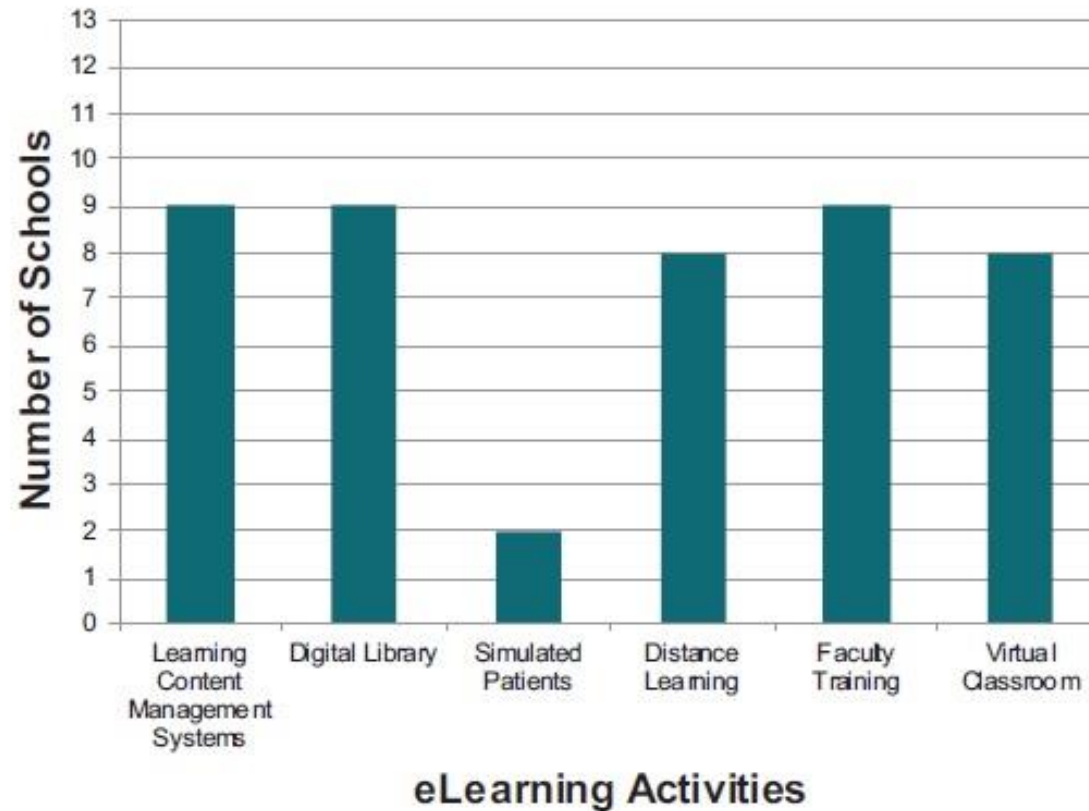

SOURCE: MEPI Annual Survey, Year 5, 2015

NOTE: Includes data from 13 schools

E-LEARNING ACTIVITIES

**EXHIBIT 3.3 MEPI Supported eLearning Activities
(2011-2015)**

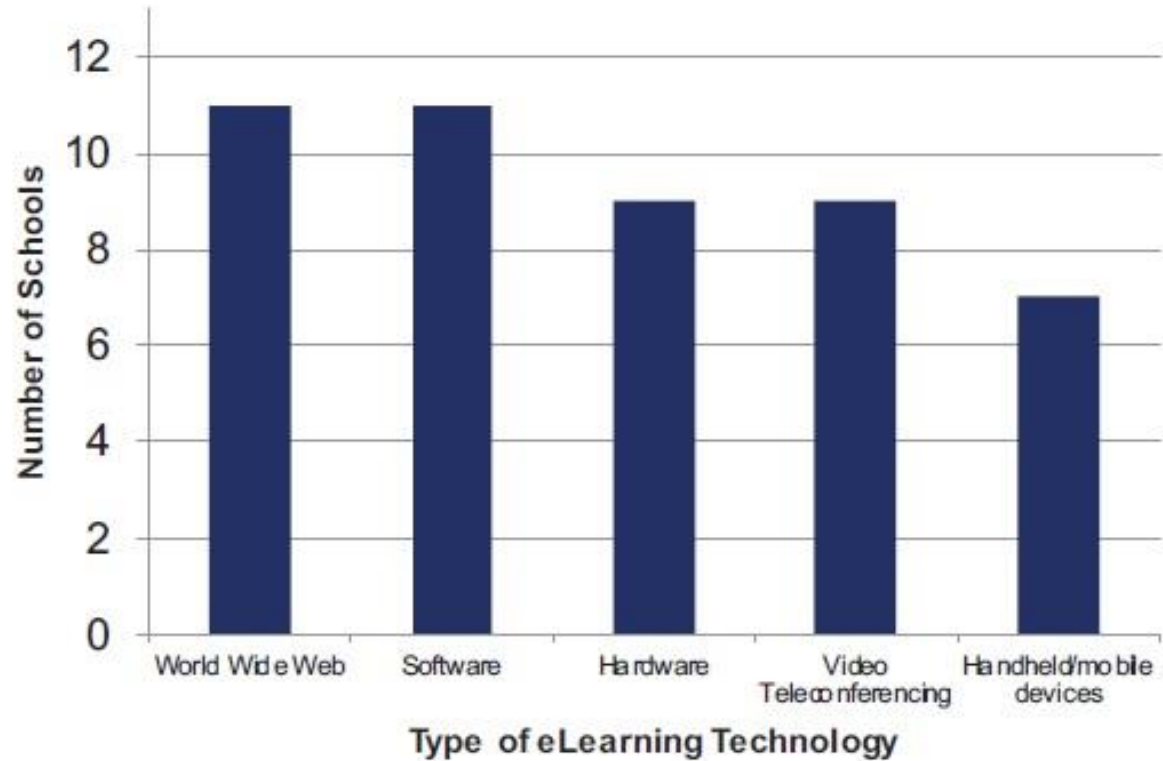

SOURCE: Cumulative data from MEPI Annual Survey, Year 2, 2012; MEPI Annual Survey, Year 3, 2013; MEPI Annual Survey, Year 5, 2015

NOTE: Includes data from 13 schools

E-LEARNING TECHNOLOGY TYPE

EXHIBIT 3.4 Types of eLearning Technologies Used in MEPI Supported eLearning Activities (2011-2015)

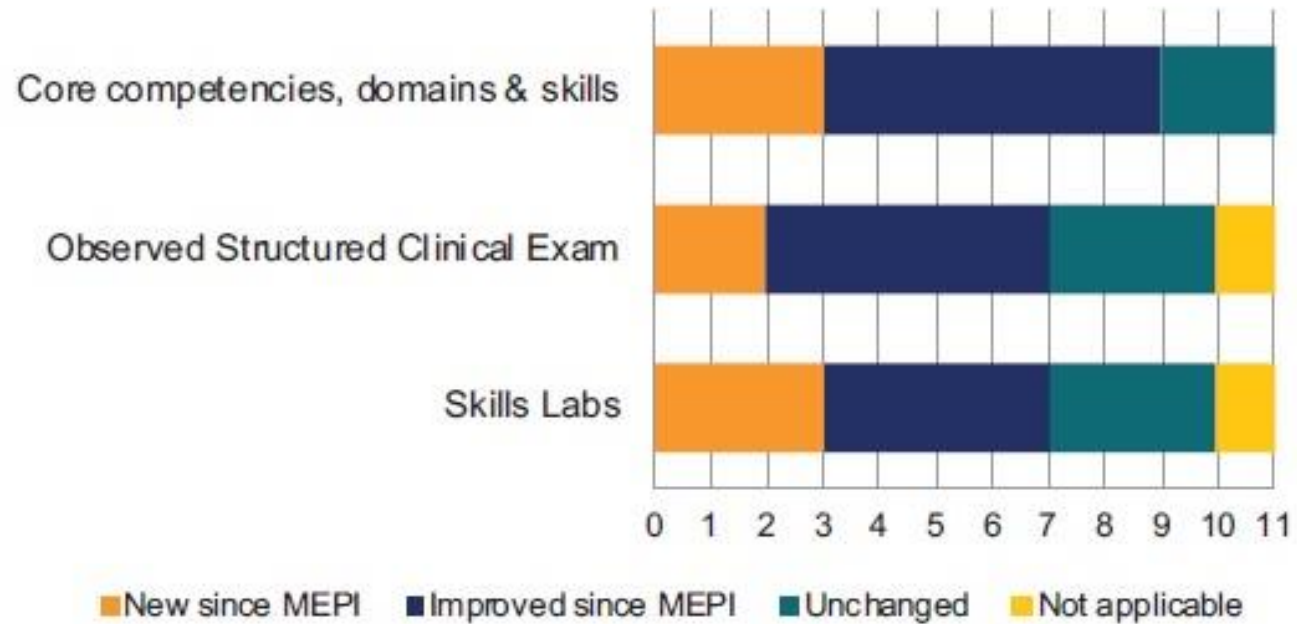

SOURCE: Cumulative data from MEPI Annual Survey, Year 2, 2012; MEPI Annual Survey, Year 3, 2013; MEPI Annual Survey, Year 5, 2015

NOTE: Includes data from 13 schools

CURRICULUM REVIEW AND REFORM

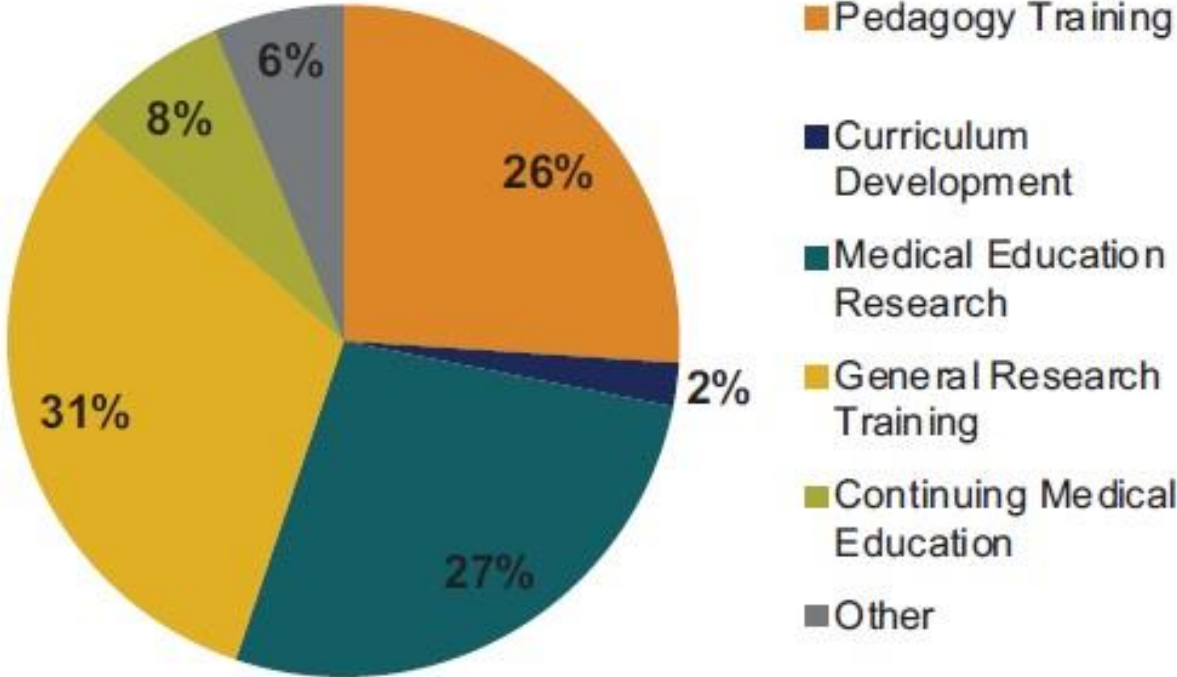

EXHIBIT 3.1 MEPI's Impact on Medical School Curriculum (2015)

SOURCE: MEPI Annual Survey, Year 5, 2015
NOTE: Includes data from 11 schools

FACULTY DEVELOPMENT RELATED TO MEDICAL EDUCATION

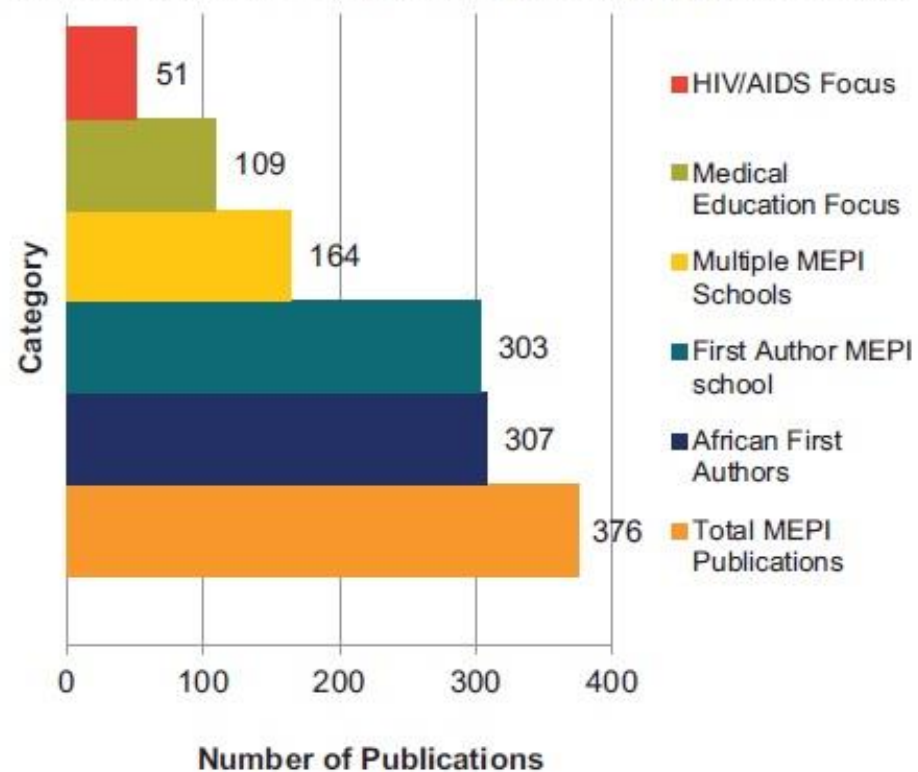

EXHIBIT 3.5 Types of MEPI Supported Faculty Training and Continuing Medical Education Activities

SOURCE: MEPI Annual Survey, Year 5, 2015
NOTE: Includes 96 activities across nine MEPI schools

MEDICAL EDUCATION RESEARCH

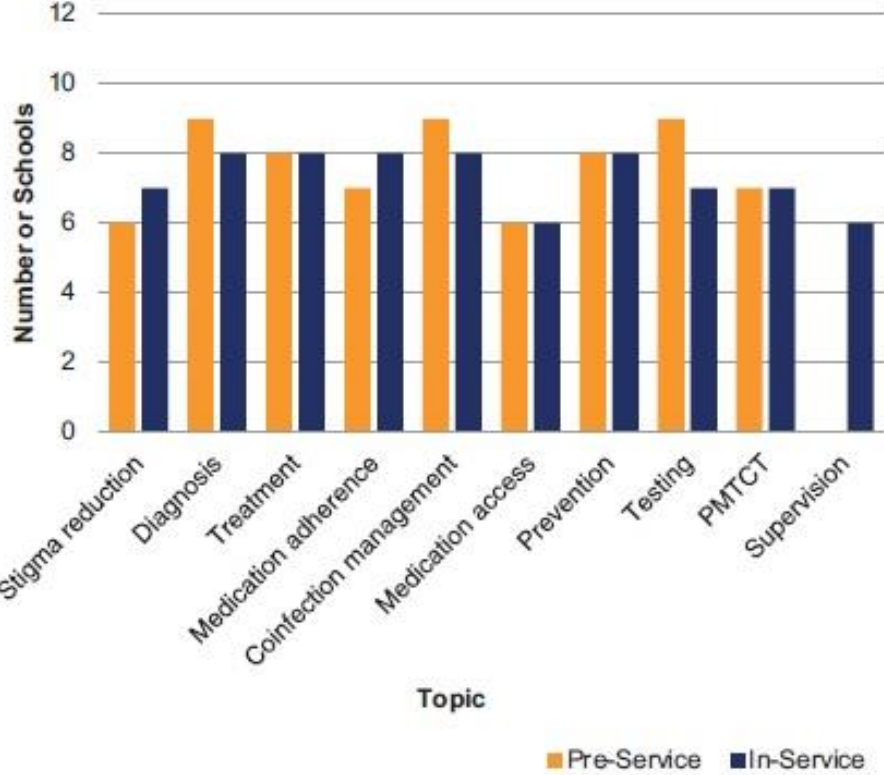

EXHIBIT 5.6 MEPI Publications, by Category (2010-2015)

SOURCE: Data compiled from MEPI Final Year Survey (2015), 13 school level reports, and CC report.
