 Global Health Council
The Collective Voice of the Global Health Community

ABOUT GLOBAL HEALTH COUNCIL

- **Mission:** We use the power of the collective voice to **improve global health and wellbeing** through informed investments and policies.
- **Vision:** We envision a world where **health and wellbeing for all** is ensured through equitable, inclusive and sustainable investments, policies, and services.
- **Statement of Purpose:** Global Health Council (GHC) leverages the **power of collaboration and collective action** to monitor, inform, and accelerate global health engagement and investment by governments, multilateral agencies, and the global health community.

The Power of GHC's Collective Voice

Together, GHC's organizational members create a robust platform for global health advocacy

WHAT YOU CAN DO

@GlobalHealthOrg

**BE INFORMED.
TELL A STORY.
STICK TOGETHER.**

BECOME A GHC MEMBER

- **Institutional GHC membership** includes non-profit organizations (e.g., NGOs, foundations, associations, and academic institutions) and for-profit organizations (e.g., corporations, contractors, and other businesses). Our organizational members make up a critical constituency driving forward GHC's agenda and catalyzing action around important global health issues.
- **Individual GHC membership** links individuals (students, professionals, and retirees) to an active global health focused network. *Individual GHC membership is available for individuals not affiliated with a GHC member organization.*
- As a GHC member, you will receive frequent email communications on events and discussions in the global health community, discounted pricing on GHC events, and access to GHC member delegations, among other benefits.
